## Certificate of Analysis

### Product Identification

3M Catalog Number	L25GLU
Product Description	3M™ Gluten Protein Rapid Kit - 25 Tests per Kit, 1 Kit per Case
3M Stock Number	70-2011-7551-3
3M Kit Lot Number	SF00609
3M Buffer Lot Number	SF00609
Kit Expiration Date	01/22/2021

### Biological Performance Testing\*

#### Negative Controls:

Sample Matrix	Expected Results	Pass/Fail
Matrix Testing	Negative, $\geq 24$	Pass

#### Positive Controls:

Sample Matrix	Expected Results	Pass/Fail
Matrix Testing	Positive, $\geq 24$	Pass

\*A minimum of four matrices are used for performance testing. All results are interpreted by eye, holding the strip an arm's length away. If the control and test lines are visible the test is considered positive. If only the control line is visible the test is considered negative. If the control line isn't visible the test is considered invalid. Positive controls are spiked at 5ppm. This letter certifies that the product described above has been tested and found to comply with 3M's product performance specifications applicable to subject device at time of manufacture. Visit the 3M Food Safety website, [www.3m.com/foodsafety](http://www.3m.com/foodsafety) for additional information.
